Why we want you

We want to make sure that everything we do as a charity has input and influence from members of the Parkinson's community. This role allows us to invite members of the Parkinson's community who are not currently volunteering with us to one off focus groups which teams will host on a variety of subjects.

What you will be doing

- Joining a group discussion to share your experiences and opinions on a selected topic
- Giving feedback to help Parkinson's UK develop better products and services

The skills you need

- A person with knowledge about Parkinson's
- Other skills or knowledge required will be details in the advert for the focus group

What's in it for you

- Joining a discussion on a subject you are interested in
- Helping influence decisions made at the charity
